## EDUCATION SERVICES REPORT

### Industry Update

The Education Services report, created by Baird's Global Investment Banking Department, highlights capital markets trends and events that impact companies within the following sectors:

- Primary & Secondary Education
- Higher Education
- Professional Education & Training
- Education Technology
- Diversified Education Services & Publishing

Within each group, companies are represented from around the globe; however, the majority of publicly-listed education providers are concentrated in the U.S., Brazil and China. Additional macroeconomic commentary, policy news and sub-sector specific operating / valuation metrics are detailed throughout the report. More recently, Baird has begun spotlighting individual companies within the Education Services space to dive deep into a specific sector and gain insights from senior management.
