GLOBAL LEVERAGED LOAN AND HIGH YIELD QUARTERLY REPORT

Global Update

The Global Leveraged Loan and High Yield Quarterly report, created by Baird's Global Investment Banking Department, highlights trends in the leveraged loan and high yield markets in both the U.S. and Europe.

For both the U.S. and Europe, a general synopsis of the leveraged loans and high yield markets is provided, with commentary focused on data from the last quarter and on a year-to-date basis. The report includes numerous charts for each region, looking at metrics such as debt multiples, volume, and pricing. The report also lists the quarter's leveraged buyout loans in both the U.S. and Europe.
