SPECIALTY VEHICLE SECTOR M&A REPORT

Industry Update

The Specialty Vehicle Sector M&A report, created by Baird's Global Investment Banking Department, features this segment of the vehicle market, where we expect further industry growth and M&A activity amid favorable secular and end market trends. The specialty vehicle market includes vocational and purpose-built vehicles used for construction, municipal, delivery, transport, fire/rescue emergency, and various other applications.

The report provides an in-depth overview of specialty vehicle sector themes and drivers, including relevant end market commentary. The report also details key M&A drivers and transactions in the specialty vehicle sector.
