Annual Middle-Market M&A Outlook Report

The Annual Middle-Market M&A Outlook Report, created by Baird’s Global Investment Banking Department, highlights M&A trends and activity throughout the world, including M&A data for the following regions:

- United States
- Europe
- United Kingdom
- Germany
- Asia
- China
- India
- Japan

Within each region, the report details monthly and full-year activity compared to the year-ago period. The report includes commentary on macroeconomic conditions, the M&A financing markets, strategic acquiror activity, and private equity transaction trends.
